

2104 Arpdale Street 78704

New Construction in Barton Hills \$647,000

Artist Rendering – Actual Construction May Vary

Mid Century Modern design influences in this Green built home for the 21st Century. The open floor plan is great for entertaining or everyday living. Large windows let in lots of light, yet still maintain privacy and energy efficiency. The Master suite boasts a beverage bar and oversized walk-in closet with easy access to the utility room. Outdoor living spaces include a private courtyard in front, fully fenced backyard with patios off living area and bedroom and upstairs balconies.

- 4 Bedrooms
- 3 Baths
- 2 Stories
- 2 Car Carport
- 2,315 Square Feet per Builder
- ML# 9447659
